

Changes to ARRA Service Codes – 023, 024, 183 and 184

The required Assessment Data for service codes for ARRA (023, 024, 183, and 184) have been temporarily disabled to reduce data entry for these services only.

Provider users can add the ARRA service codes, by clicking Clients link on their home page. (Figure 1)

Service Totals

After adding the service codes to ARRA Clients, users will need to create a Service Total SRW to add the clients for each of the ARRA service codes to report total units of service. Instructions on how to **Add Provider Site/Route/Worker** can be found in the Provider Users' Manual, (http://www.ncdhhs.gov/aging/arms/manual/ARMS_Provider_User.pdf) starting on page 41.
