MEMORANDUM

TO: Division Directors
Office Directors
Budget Officers

FROM: James B. Slate, Jr.

SUBJECT: Change in IRS Mileage Rate

In a memorandum dated September 12, 2005, from the Office of State Budget and Management, all Departments were notified that the IRS business mileage rate has been increased from 40.5 cents per mile to 48.5 cents per mile. In compliance with G.S. 138-6(a)(1), employees incurring mileage on their personal vehicles in performing business for the State on or after September 1, 2005, will be reimbursed at the IRS business mileage rate of 48.5 cents per mile. A copy of the OSBM memorandum is attached for your reference.

The following policies remain in effect:

- Mileage reimbursement rates set by any other law by reference to G.S. 138-6(a)(1) are established at 25.0 cents per mile, NOT the IRS rate.
- Mileage is measured from the closer of duty station or point of departure to destination (and return).
- Employees who elect to use personal vehicles when a state-owned vehicle is available will continue to be reimbursed at 25.0 cents per mile.
