

Fall 1068 Training November 2009

Focus on Health Care

Presented by NC Division of Health Service Regulation Adult Care Licensure Section

Target Audience

This training is designed for all staff of adult care homes, staff of county departments of social services involved in the survey process of adult care homes, and staff from the Adult Care Licensure Section.

CEUs

3.5 CEUs will be awarded for FULL ATTENDANCE 9:00 a.m.-1:00 p.m. Partial CEUs will NOT be awarded.

Objectives

At the end of this training, each participant will demonstrate a better understanding of:

- Knowledge of the rules pertaining to Health Care services.
- How to use observation, interview, and record review to assess the quality of health care services.
- Effective interventions to improve the quality of health care services provided to meet the resident's needs.

Agenda

This training is designed to provide information and discussion on the Health Care rule. Case examples relating to health care referral and follow-up will be discussed with a panel of various health care providers from different service backgrounds, including home health, hospice, mental health and primary care. The panel and audience will exchange knowledge and ideas on how to improve health care services and the response to resident's needs in adult care homes.
