

## **DMA Website Update for Laboratory Services**

The [National Correct Coding Initiative \(NCCI\)](#) became operational with date of service March 31, 2011. All providers are encouraged to review and adhere to NCCI for guidance on laboratory services at <http://www.ncdhhs.gov/dma/provider/ncci.htm>.

Providers who have questions regarding CLIA Certification may contact the Division of Health Service Regulation Acute and Home Care Licensure and Certification and CLIA Program at 919-855-4620.

Providers may also view information on the CMS website for CLIA and Categorization of Tests at [http://www.cms.gov/CLIA/10\\_Categorization\\_of\\_Tests.asp#TopOfPage](http://www.cms.gov/CLIA/10_Categorization_of_Tests.asp#TopOfPage).
