

What a CABHA Is Not

- It is not a single portal
 - It is not intended to eliminate choice
 - It is not appropriate for every consumer
 - It is not appropriate for every provider
 - It is not an exclusive source for outpatient, medication management, or assessment
- 

What CABHA Verification Is NOT

- It is not a financial review
 - It is not an endorsement review
 - It is not a review of core rules
 - It is not a routine LME monitoring
