RE: Extension of Certification of NCI Instructor Trainers

Transmitted via E-mail and Posted on NCI Instructor Site

The certification of NCI Instructor Trainers, which is due to expire on June 30, 2017, has been extended through June 30, 2018. This memorandum provides documentation that the certifications of those individuals identified on the NCI Instructor Trainer Listing: <https://www.ncdmh.net/nci-public/Default.aspx> will remain in effect during this period.

As the Division implements the phase out of NCI, June 30, 2018 is the final certification expiration date for all Instructor Trainers.
