

2020 NC-SNAP Virtual Training

Examiner Certification Schedule

DMH/DD/SAS has moved to a virtual training platform for the NC SNAP. The schedule below reflects **all** scheduled Virtual training dates for 2020. Training will be offered to those who missed in person training due to cancellations. NC-SNAP certification is available to professional ID/DD staff that is responsible for completing or reviewing NC-SNAP assessments as part of their job responsibilities. The NC SNAP must be completed by a person meeting the qualifications of a Qualified Professional (QP). **The QP is not registered for a scheduled certification training until he or she has received a confirmation email and Microsoft Teams invite.**
