9

---

---

---

---

---

---

---

---

## Competitive Pricing and Price Limitations

- Peer group structure
  - ✓Peer groups have NTEs for WIC supplemental foods and contract formula
  - ✓No longer published by the State WIC Agency

10

---

---

---

---

---

---

---

---

## Minimum Redemption

- Except for Free-standing pharmacies, a vendor must redeem at least \$2,000 annually in WIC supplemental food sales
  - ✓If not, the Vendor Agreement will be terminated
  - ✓The store must wait 180 days to reapply

11

---

---

---

---

---

---

---

---

## Purchasing and Providing Infant Formula from a State-approved Source

- Vendors must purchase all infant formula, exempt infant formula and WIC-eligible nutritionals only from the sources on the State WIC Agency's list of approved sources
- Vendors must provide only such infant formula, exempt infant formula and WIC-eligible nutritionals to WIC customers
- Authorized vendors will have their WIC Vendor Agreement terminated for failure to comply with this requirement
- A list of State-approved sources can be obtained from your Local WIC Agency or found at [www.nutritionnc.com/wic/vendor.htm](http://www.nutritionnc.com/wic/vendor.htm)

12

---

---

---

---

---

---

---

---

## Contract Infant Formulas

NTEs are set for contract milk-based and soy-based formulas. See contract formulas below:

○ Gerber Good Start Gentle®

- ✓ 12.7 oz. Powder\*\*
- ✓ 8.1 oz. Concentrate (GentlePro)
- ✓ 33.8 oz. Ready To Feed (4 pack of 8.45 oz containers) (GentlePro)

○ Gerber Good Start Soy®

- ✓ 12.9 oz. Powder\*\*
- ✓ 8.1 oz. Concentrate
- ✓ 33.8 oz. Ready To Feed (4 pack of 8.45 oz containers)

○ Gerber Good Start SoothePro®

- ✓ 12.4 oz Powder

\*\* Minimum Inventory item

13

---

---

---

---

---

---

---

---

## Not-to-Exceed (NTE) Prices

- NTEs are set at 2 standard deviations above the average price for supplemental foods within a vendor peer group.
  - ✓ Calculated for each UPC for each WIC supplemental food
  - ✓ Based on redemption of all vendors in the peer group
  - ✓ Obtained from the eWIC system
  - ✓ Different NTEs for different sizes of the same food even if it is the same brand
- Foods and Contract Formula

14

---

---

---

---

---

---

---

---

## NTEs vs. Current Shelf Price

- Vendors **must** charge current shelf price
- Vendors **DO NOT** have to charge the NTE
- Charges for WIC transactions must be less than or equal to charges to regular customers
- Vendors **cannot** set their prices at the NTE and charge other customers less
  - ✓ This is a federal violation for which a vendor can be disqualified

15

---

---

---

---

---

---

---

---

## WIC Approved Foods With No NTE

- NTEs do not apply to exempt infant formula or WIC-eligible nutritionals
- Open market system (shelf price)
- Exempt infant formula and WIC-eligible nutritionals can be found at [www.nutritionnc.com/wic/vendor.htm](http://www.nutritionnc.com/wic/vendor.htm)
- NTEs do not apply to fruits and vegetables purchasable with cash-value benefits (CVBs)

16

---

---

---

---

---

---

---

---

What about exchanges?

- **Identical items only** when:
  - Defective
  - spoiled or
  - has exceeded its “best if used by” or “sell by” date on the date of purchase

17

---

---

---

---

---

---

---

---

## Annual Vendor Training

- Vendors, their store manager or other authorized store representative are required to attend vendor training
- Failure to attend annual training by September 30th of each year will result in termination of the WIC Vendor Agreement

18

---

---

---

---

---

---

---

---

## Predominantly WIC Vendor (PWV)

- In North Carolina, the WIC Program classifies vendors that derive more than 50% of their annual food sales revenue from WIC food benefits (excluding CVBs) as Predominantly WIC Vendors or PWVs
- PWVs cannot be authorized NC WIC vendors
  - ✓ If a vendor applicant is expected to be a PWV, the application will be denied
  - ✓ If a vendor becomes a PWV anytime during authorization, the Vendor Agreement will be terminated
  - ✓ Must wait 90 days to reapply
- State Rule 10A NCAC 43D.0706-Vendor Peer Groups
- Terms of Vendor Agreement): Section I Number 3(n)

19

---

---

---

---

---

---

---

---

## Predominantly WIC Vendor (PWV) continued

- State WIC Agencies are required to identify vendors that derive more than 50% of their annual food sales revenue from WIC food benefits
- The USDA classifies these vendors as Above 50% Vendors
- In North Carolina, these stores are called Predominantly WIC vendors (PWVs)
- State WIC Agency collects data to determine total SNAP – eligible food sales as part of the PWV identification process

20

---

---

---

---

---

---

---

---

## PWV Identification

- PWV Identification is reviewed after six months of authorization as well as annually

21

---

---

---

---

---

---

---

---

## PWV Identification continued

- Request sales records, financial statements, reports, tax documents or other verifiable documentation
- **State Agency may require vendor to sign a release of information form from the Department of Revenue to verify SNAP eligible food sales-known as the "GEN-93"**
- **Very important** for vendors to be aware that this information may be requested each year for the previous federal fiscal year

22

---

---

---

---

---

---

---

---

## GEN-93 FORM

- Release of Tax Information Form
- Authorizes the Nutrition Services Vendor Unit to acquire the vendor's E-500 forms directly from Department of Revenue (DOR)
- Must be completed accurately matching what DOR has on file for store
- Must be notarized

23

---

---

---

---

---

---

---

---

## SNAP-eligible Food Sales Records

- Vendors must maintain a record of all SNAP-eligible food sales
- SNAP-eligible food sales are sales of those foods that can be purchased with SNAP (Food Stamp) benefits
- Vendors are required to provide the State WIC Agency, upon request, a statement of the total amount of revenue derived from SNAP-eligible food sales and written documentation to support the dollar amount of sales claimed
- Food Sales
  - ✓ The sale of all foods that could be purchased with SNAP benefits
  - ✓ Food Sales Fact Sheet

24

---

---

---

---

---

---

---

---

## Appropriate Documentation

- Each year select vendors are asked to submit SNAP eligible food sales as part of PWV determination
- Request sales records, financial statements, reports, tax documents or other verifiable documentation
- Keep a monthly copy in files

25

---

---

---

---

---

---

---

---

## Verifiable Documentation of SNAP-eligible Food Sales

- Ledger Totals
  - ✓ Daily, Weekly or Monthly Cash Register Receipts totaled in a ledger (**DO NOT send actual cash register receipts**)
  - ✓ Some registers have the ability to separate out different types of items
  - ✓ It is highly recommended that Vendors maintain this type of system. Makes this annual process easier
- Sales and Use Tax returns are not always sufficient for documenting complete SNAP eligible food sales
  - ✓ These returns may be used along with ledger totals to verify a vendor's documentation of SNAP eligible food sales

26

---

---

---

---

---

---

---

---

---

---

---

## Different Types of Documentation

- Sales and Use Tax Return
- If your store files electronically, it is recommended that you keep a copy for your records as this documentation may be requested as additional documentation
- Additional information may still be requested from the State WIC Agency if these forms are submitted as documentation

---

---

---

---

---

---

---

---

---

---

30

## Submitting False Information

- Vendors must not submit false, erroneous, or misleading information to the State or Local WIC Agency
- Failure to comply will lead to denial of a vendor applicant's authorization or termination of an authorized vendor's WIC Vendor Agreement
- The store must wait 1 year to become eligible to reapply for WIC vendor authorization

31

---

---

---

---

---

---

---

---

## eWIC Payments Through the Banking System

32

---

---

---

---

---

---

---

---

## Automated Clearing House (ACH)

- Vendors will receive payment for all eWIC transactions processed in their store through an Automated Clearinghouse (ACH) system in which payments are directly deposited into their bank account
- Each approved food has an NTE
- If a vendor submits an item price that is above the NTE, their payment will be decreased to the NTE amount for the item

33

---

---

---

---

---

---

---

---

## Vendor Bank Accounts

- Vendor applicants must submit their most current banking information to the eWIC contractor, Solutran or their third-party processor, to ensure payment for eWIC transactions
  - ✓ Retailer Helpdesk: 1-866-730-7746 (available 24/7)
  - ✓ Email: [ebtservices@Solutran.com](mailto:ebtservices@Solutran.com)
- Current vendors must contact the eWIC contractor with any changes in a vendor's bank account

34

---

---

---

---

---

---

---

---

## Vendor Reimbursement Policy

- Vendors may not ask the WIC customer:
  - ✓ To make up the difference in price for eWIC transactions
- Vendors are responsible for keeping their prices at or below the NTE for their peer group

35

---

---

---

---

---

---

---

---

## Paying Above the Maximum

- Customer can pay for an amount that exceeds the CVB maximum
  - ✓ Example: \$10.00 CVB
  - ✓ Total cost of WIC fruits and vegetables is \$10.25 Customer can pay 25c plus tax on the 25c or use other acceptable methods to pay for the outstanding balance, e.g SNAP which is not taxable
  - ✓ Vendor submits an eWIC transaction for \$10.00 in CVBs

## Summary

- NC WIC Program offers a variety of nutritious foods
- Participants no longer need to purchase the least expensive brand for milk, cheese or eggs
- APL = Authorized Product List: a list of all approved WIC products
- Consider a food category 'unit of measure'
- Required minimum inventory must be available to WIC customers

## Questions?

93

---

---

---

---

---

---

---

---

## eWIC Requirements

- Obtain card readers to support eWIC transactions within their store(s). The vendor must ensure that the card readers they obtain meet all eWIC requirements (Integrated systems)
- Cessation of operations, withdrawal from the WIC Program or disqualification from the WIC Program shall result in termination of the WIC Vendor Agreement by the State WIC Agency

94

---

---

---

---

---

---

---

---

## eWIC Requirements continued

- Process eWIC transactions accurately, in a timely manner, and in accordance with the terms of the North Carolina WIC Vendor Agreement. Maintain compliance with the eWIC Processor Vendor Agreement, the FNS EBT operating rules, standards and technical requirements, WIC Program Rules, and state and federal regulations, and statutes
- Maintain a certified eWIC system that is available for WIC redemption processing during all hours the store is open;
- Request eWIC Processor re-certify the vendor's eWIC system if it is altered or revised in any manner that impacts eWIC redemption

95

---

---

---

---

---

---

---

---

## eWIC Requirements continued

### Integrated Vendors:

- There is no longer a need for WIC customers to separate their items when transacting WIC benefits
- Do not make them separate their WIC items from non-WIC items
  - ✓ All items can be rung up together; however, the WIC customer must swipe their eWIC card first before any other tender type is applied to ensure that the proper items are deducted from the WIC customer's benefit balance before another tender type is used for purchase

96

---

---

---

---

---

---

---

---

## eWIC Requirements continued

- Should a vendor that uses stand-beside device(s) to transact eWIC decide to upgrade to an integrated system, the vendor must:
  1. Inform the eWIC processor before making any change, so that it can be determined if the system needs to be certified and testing can be performed to establish connectivity
  2. Inform the State WIC Agency so that Level III certification testing can be performed prior to use of the system in the store
- Testing performed with the eWIC processor for a new system that a vendor chooses to use does not supersede the Level III certification testing that must be performed by the State WIC Agency
- These procedures also apply to vendors who alter the integrated system that they currently use or decide to use a different integrated system altogether

97

---

---

---

---

---

---

---

---

## eWIC Requirements continued

- The State WIC Agency, not the eWIC processor, must grant final approval before a new system or system that has been altered is used by a vendor
- Vendors must inform the State WIC Agency if their integrated cash register system will be altered or revised in any manner that impacts eWIC redemption. This is a requirement detailed in the Terms of Vendor Agreement. Failure to do so may result in the termination of their WIC Vendor Agreement

98

---

---

---

---

---

---

---

---

## eWIC Requirements continued

- It is important to continue to follow policies and procedures to maintain authorization
- Federal regulations provide processes to support program integrity
- Review your Vendor Manual for more detailed information regarding federally and state mandated WIC Vendor policies and procedures

99

---

---

---

---

---

---

---

---

## Business Integrity Standards

- May not have any owners, officers or managers who have been convicted of or had a civil judgment entered against them in the last six years for any activity indicating a lack of business integrity
- Includes, but is not limited to fraud, antitrust violations, embezzlement, theft, forgery, bribery, falsification or destruction of records, receiving stolen property, making false claims, and obstruction of justice

100

---

---

---

---

---

---

---

---

## Violations and Sanctions

- A violation is an infraction of WIC Program regulations or other requirements
- A sanction is an administrative action taken as a result of a pattern of violations and may include:
  - ✓ Disqualification or civil money penalty in lieu of disqualification

101

---

---

---

---

---

---

---

---

## Violations

- Any intentional or unintentional action of a vendor's owners, officers, managers, agents or employees, **with or without knowledge of management**, that violates the WIC Vendor Agreement or federal or state statutes, regulations, policies or procedures governing the Program

102

---

---

---

---

---

---

---

---

## Types of Violations

- Federal violations for which vendors are subject to disqualification
  - ✓ Federal violations; carry longest disqualification periods
  - ✓ Found through compliance buys and inventory audits
- State violations for which vendors are subject to disqualification
  - ✓ Usually found during compliance buys and Local WIC Agency monitoring

103

---

---

---

---

---

---

---

---

## Vendor Violations and Sanctions

- 10A NCAC 43D.0710 includes language for eWIC transactions. The rule states a vendor shall be disqualified from the WIC Program for:
  - ✓ One year for three occurrences within a 12-month period of failure to properly transact WIC food benefits by manually entering the EBT card number or entering the PIN into the POS instead of the WIC customer, scanning the UPC or PLU codes from UPC codebooks or reference sheets when completing a WIC customer's EBT transaction, not entering the correct quantity and item price, or not providing the WIC customer with a receipt that shows the items purchased and the customer's remaining food benefit balance.

104

---

---

---

---

---

---

---

---

## Vendor Violations and Sanctions continued

- As a Reminder:
- 10A NCAC 43D.0708 (20)(j) states that the vendor must:
  - ✓ Scan or manually enter Universal Product Codes (UPC) only from approved supplemental foods being purchased by the WIC customer in the types, sizes, and quantities available on the WIC customer's EBT account. The vendor shall not scan codes from UPC codebooks or reference sheets;
- This requirement is also listed in the current Terms of Vendor Agreement
- 10A NCAC 43D.0710 has two state violations relating to the eWIC system
- Vendors may be disqualified from the WIC Program if they commit either of these state-established violations

105

---

---

---

---

---

---

---

---

## Vendor Violations and Sanctions continued

- The two violations for which a vendor can be disqualified are failure to make EBT point of sale equipment accessible to WIC customers and failure to comply with minimum lane coverage criteria. The pattern of occurrences and respective disqualification periods are:
  - 180 days for three occurrences within a 12-month period of failure to make EBT point of sale equipment accessible to WIC customers to ensure that EBT transactions are completed in accordance with 10A NCAC 43D .0708(20)
  - 90 days for three occurrences within a 12-month period of failure to comply with minimum lane coverage criteria required by 7 CFR 246.12(z)(2) and 10A NCAC 43D .0708(20)(c)

106

---

---

---

---

---

---

---

---

## Pattern of Occurrences

- The nature of the violation and the number of violations determine the sanction imposed
- Sanctions remain on a vendor's record for 12 months or until a vendor is disqualified
- A pattern of occurrences for the same violation may result in disqualification
- The number of occurrences needed to establish a pattern depends on the violation

107

---

---

---

---

---

---

---

---

## Examples of Patterns of Violations

- Three occurrences within a 12-month period of failure to stock minimum inventory
- Three occurrences within a 12-month period of stocking WIC supplemental foods outside of the manufacturer's expiration date
- Three occurrences within a 12-month period of failure to mark the current shelf prices of all WIC supplemental foods
- Three occurrences within a 12-month period of failure to make EBT point of sale equipment accessible to WIC customers

108

---

---

---

---

---

---

---

---

## Preventing Fraud and Ensuring Compliance

- State WIC Agency must investigate at least 5% of vendors annually using:
  - ✓ compliance (undercover) buys
  - ✓ inventory audits
- Must also ensure that vendors are monitored by Local WIC Agency staff

109

---

---

---

---

---

---

---

---

## Compliance Buys and Audits

- State WIC Programs are required to identify and investigate high-risk vendors
- NC sometimes works with the U.S. Office of Inspector General for investigations

110

---

---

---

---

---

---

---

---

## Compliance Buys

- Undercover purchases by a compliance investigator
- May make multiple visits over one year
- Vendors may receive a letter from the State WIC Agency if problems are noted

111

---

---

---

---

---

---

---

---

## Vendor Overcharging

- Intentionally or unintentionally charging more for supplemental food provided to a WIC customer than a non-WIC customer or charging more than the current shelf price for supplemental food provided to a WIC customer
- Overcharging is a serious federal violation that can lead to vendor disqualification
- This violation is uncovered during compliance buys
- Vendor overcharging is **NOT** the same as charging over the NTE

112

---

---

---

---

---

---

---

---

## Overcharging?

- A vendor looks at the NTE to determine what they could charge the WIC customer for a gallon of whole milk. The current shelf price is \$2.79. They charge the WIC customer \$3.69 for the gallon of whole milk because that is the current NTE for the month. Is this vendor overcharging?
- A vendor charges a WIC customer \$6.50 for WIC approved cheese. The current shelf price is \$6.50. The NTE is \$6.29. Is this vendor overcharging?

113

---

---

---

---

---

---

---

---

## Food Substitution

- Per the Vendor Agreement:
  - ✓ Vendors must provide to the WIC customer only the approved supplemental foods, fruit, and vegetables contained in the authorized product list (APL) after it has been determined that the WIC customer has an available balance for the item on the date of the transaction
- Vendors must properly transact the WIC supplemental foods that are listed on the participant's food benefit balance
- **Vendors cannot substitute one food subcategory for another**
  - Federal violation that carries 1-year disqualification
  - ✓ **Example:** Substituting 1% Milk/Skim Milk for 2% Milk or Whole Milk

114

---

---

---

---

---

---

---

---

# Questions

115

---

---

---

---

---

---

---

---

## Use of Scanning Sheets Prohibited

- Vendors cannot use a collection of UPC barcodes on Scanning Sheets, cash registers, computers, tablets, cell phones or any other similar electronic devices to transact eWIC
- Failure to comply with this policy could result in termination of their WIC Vendor Agreement

116

---

---

---

---

---

---

---

---

## Inventory Audits

- A vendor must make available at any reasonable time and place **ALL**:
  - ✓ Program-related records: invoices, purchase orders, various tax and business records
- **MUST** be retained 3 years or until audit pertaining to these records is resolved, whichever is later

117

---

---

---

---

---

---

---

---

## Purchase Documentation Requirement

- Specific requirements for purchase documentation of WIC supplemental foods
- Invoices, receipts, purchase orders, and any other proofs of purchase for WIC supplemental foods must include the following:
  1. The name of the seller and be prepared entirely by the seller or on the seller's business letterhead;
  2. The date of purchase and the date the authorized vendor received the WIC supplemental food at the store if this date is different;
  3. A description of each WIC supplemental food item purchased, including brand name, unit size, type or form, and quantity

118

---

---

---

---

---

---

---

---

## Violations Detected During Inventory Audit

- Claiming reimbursement for the sale of an amount of a specific supplemental food item which exceeds the store's documented inventory of that supplemental food item for six or more days within the 60-day period
  - The six or more days do not have to be consecutive
- Inability to provide records or providing false records is also a violation

119

---

---

---

---

---

---

---

---

## Vendor Claims

- Overpayment to a vendor as determined by an inventory audit or compliance buy investigation requires repayment to the WIC Program
- The State WIC Agency assesses a claim against the vendor in the amount of the overpayment
- Vendors can request a conference to review the claim, but this action cannot be appealed

120

---

---

---

---

---

---

---

---

## Claims Assessed for Vendor Violations

- If a vendor is assessed a claim, the vendor must reimburse the State WIC Agency in full or agree to a repayment plan within 30 days of written notification of the claim
  - ✓ Failure to do so will lead to termination of the Vendor Agreement
- A vendor applicant cannot be authorized if any of the vendor applicant's owners, officers or managers currently have or previously had a financial interest in a WIC Vendor that was assessed a claim by the WIC Program and the claim has not been paid in full

121

---

---

---

---

---

---

---

---

## Disqualification

- Ranges from 60 days to permanent
- WIC status may impact status with SNAP (formerly the Food Stamp Program)
- Vendor has right to appeal

122

---

---

---

---

---

---

---

---

## Disqualification continued

- Upon disqualification or termination, vendors are required to return their stand-beside equipment to Solutran within 10 business days
  - ✓ Including all cords, cables, scanners and pin pads (if applicable)
  - ✓ Solutran will send a shipping label
- Failure to return all stand-beside equipment to Solutran will result in the initiation of an ACH debit from the vendor's account
- If a vendor's bank account has been closed, Local Agency staff will be asked to retrieve all equipment from the vendor location

123

---

---

---

---

---

---

---

---

## Office of Inspector General

- **MISSION:**
  - ✓ Perform audits and investigations of the Department's programs and operations;
  - ✓ Work with the Department's management team in activities that promote economy, efficiency, and effectiveness or that prevent and detect fraud and abuse in programs and operations, both within USDA and in non-Federal entities that receive USDA assistance;
- OIG web site: <https://usdaoig.oversight.gov/>

124

---

---

---

---

---

---

---

---

## Conflict of Interest

- A vendor shall not have any owner(s), officer(s) or manager(s) who are employed, or who have a spouse, child, or parent employed by the State WIC Agency or the Local WIC Agency serving the county in which the vendor conducts business
- A vendor shall not have an employee who handles or transacts food benefits or cash-value benefits who is employed or has a spouse, child or parent who is employed by the State WIC Agency or the Local WIC Agency serving the county in which the vendor conducts business
- Ask your staff if they have a spouse, child or parent who works for the WIC program
  - ✓ if they do, report it to your vendor contact at your Local WIC Agency

125

---

---

---

---

---

---

---

---

## Routine Monitoring

- Includes, but is not limited to:
  - ✓ Review of formula invoices and receipts
  - ✓ Price checks
  - ✓ Treatment of WIC Program participants and customers
  - ✓ Inventory of WIC-approved foods subject to minimum inventory requirement
  - ✓ Ensure equipment for use in transacting eWIC is accessible
- Visits are documented and if violations found:
  - ✓ An occurrence assessed
  - ✓ The vendor must take steps to correct them
  - ✓ Will be monitored again within 21 days

126

---

---

---

---

---

---

---

---

## Equitable Treatment

- Section 246.12(h)(3)iii of the Federal WIC Regulations requires WIC-authorized vendors to offer WIC customers the same courtesies that are offered to other (non-WIC) customers
  - ✓ WIC customers cannot be excluded from in-store promotions
- Failure to provide the same courtesies to WIC customers is a violation of Federal WIC Regulations, thereby constituting a vendor violation
  - ✓ Discrimination on the basis of WIC participation
  - ✓ May result in disqualification

127

---

---

---

---

---

---

---

---

## Definitions

- **Incentive item**-an item or service provided by a vendor to attract customers or encourage customer loyalty
- **Vendor discount**-an in-store promotion that reduces the price or increase the quantity of a given product; a vendor discount could also result from the use of a coupon
- **In-store promotion**-a sales promotion in which a vendor may offer incentive items, vendor discounts or coupons in order to increase sales of certain items or to encourage customer loyalty to the vendor

128

---

---

---

---

---

---

---

---

## Incentive Items

- Incentive items must be approved by the North Carolina WIC Program prior to providing them to WIC customers
- The North Carolina WIC Program may approve incentive items-including food, merchandise or services-that a vendor obtained at no cost or that cost a vendor less than \$2.00. Vendors may also provide food sales or specials (vendor discounts) that involve no cost or cost the vendor less than \$2.00

129

---

---

---

---

---

---

---

---

## Approval for Incentive Items

- To obtain approval to provide incentive items to WIC customers, a vendor must submit a written request directly to the North Carolina State WIC Agency
- WIC vendors **cannot** offer incentive items to WIC customers without approval from the State WIC Agency

130

---

---

---

---

---

---

---

---

## Approval for Incentive Items - continued

- Following is a list of prohibited incentive items:
  - ✓ Assistance applying for WIC benefits
  - ✓ Transportation for WIC customer to and/or from vendor premises
  - ✓ Delivery of WIC supplemental foods
  - ✓ Lottery tickets
  - ✓ Cash gifts
  - ✓ Any other service that results in a conflict of interest, any item that incurs a liability to the WIC Program or violates any Federal, State or Local law or regulation

131

---

---

---

---

---

---

---

---

## In-Store Promotions and Coupons

- Allowing WIC customers to use vendor discounts in WIC purchases reinforces wise food purchasing practices
- Vendor staff/cashiers should be well-informed about the use of different types of in-store promotions and coupons
  - ✓ Understand the temporary nature of some offers in order to reduce confusion at the point of sale
  - ✓ Know how to properly transact eWIC using in-store promotions and coupons

132

---

---

---

---

---

---

---

---

## Types of In-Store Promotions and Coupons

- Buy One, Get One Free (BOGO)
- Buy One, Get One at a Reduced Price
- Free Ounces Added to Food Item by Manufacturer (Bonus Size Items)
- Transaction Discounts
- Store Loyalty/Rewards Cards
- Manufacturers' Cents Off Coupons

133

---

---

---

---

---

---

---

---

## In-Store Promotions: BOGOs and eWIC

Per the USDA WIC EBT Operating Rules:

- In a true BOGO, the free item cannot be deducted from the WIC customer's benefit balance or reported to the State Agency.
- If a food item is advertised as "Buy one, get one free" **with the disclosure that each item is sold for half the advertised price**, both food items shall be redeemed using WIC benefits and shall reflect an item price of half the advertised price in the transaction.
  - ✓ Quantity discount
  - ✓ If using this methodology for BOGOs, vendors must put this disclosure in store advertising

134

---

---

---

---

---

---

---

---

## Sales Tax & Cash Back

- Sales Tax on Manufacturers' Coupons
  - ✓ Not permitted to tax WIC items, so cannot charge WIC customers tax on manufacturer's coupons
- Cash Back
  - ✓ Not permitted as a result of vendor discount in any WIC transaction

135

---

---

---

---

---

---

---

---

## Reporting Customer Service Issues (Complaints)

- Vendors should report customer service issues (complaints) to the Local WIC Agency concerning:
  - WIC customer inappropriate behavior
    - ✓ Vendors are not required to tolerate behavior from a WIC customer that they would not tolerate from other customers
    - ✓ May also report complaints about other vendors
- May use form in the Vendor Manual or on website at <https://www.nutritionnc.com/wic/vendor.htm>

136

---

---

---

---

---

---

---

---

## Training Employees

- Vendor owners/managers are responsible for training all cashiers on WIC as it pertains to the following:
