

Food and Nutrition Services (FNS) Employment and Training Cost Parity Certification

This certification is required to be signed by the sub awardee certifying that SNAP participants will not be charged more than what the general public would pay for the same services.

By signing below, I state that as a sub awardee of Supplemental Nutrition Assistance Program funding my organization agrees to the following:

- **Will not charge SNAP participants more than what the public would pay for the same services.**
- **If a discount is provided to other grants or payees, the organization will provide the same discount to SNAP participants.**
