

Outcomes and Reporting Requirements for Agencies

Effective July 1, 2016

APPENDIX E

A. OUTCOMES:

CONTRACTOR providing MH/DD/SA services paid for with Medicaid, State, and/or Federal Block Grant funds shall complete DHHS required outcomes assessments on clients in accordance with DHHS guidelines and any subsequent changes thereto, including, but not limited to:

- a. submission of NC-TOPPS data for individuals receiving MH or SA services, as specified in the NC-TOPPS Guidelines and any subsequent changes thereto;
- b. collection of outcome data for special populations such as consumers transitioning from residential facilities as a result of the 2012 U.S. Department of Justice Settlement Agreement with the State of North Carolina in accordance with the guidelines and the age and disability appropriate outcome instruments defined by <<LME/PIHP>>; and
- c. participation in surveys of provider staff and consumers conducted by DHHS and <<LME/PIHP>> in accordance with DHHS guidelines and any subsequent changes thereto.

B. REPORTING REQUIREMENTS:
