

# Mountains to Sea Resort

The **Mountains to Sea Resort** is a project funded by the Knights of Columbus and the Black Mountain Center Foundation, Inc. for the specific use of BMNTC residents and their families.

This is a relaxed setting that offers a quiet getaway with homelike conveniences and is in walking distance of Black Mountain Neuro-Medical Treatment Center.

The **Mountains to Sea Resort** offers those residents that may not be able to leave or go very far from the facility a chance to get away and have fun.

The **Mountains to Sea Resort** offers a way for families to stay free of charge while visiting a family member at Black Mountain Neuro-Medical Treatment Center.

## Accommodations

The **Mountains to Sea Resort** is a decorated and fully furnished vacation cottage conveniently located on the BMNTC campus and features 2 bedrooms each with 2 twin beds, a full bathroom, living room, sun room, and eat-in kitchen. Accommodates up to 6 guests.
