

# Cherry Hospital Accreditation and Affiliations

## Accreditation

Cherry Hospital is accredited by the North Carolina Medical Society to provide Continuing Medical Education (CME) to physicians and is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation (ANCC). The hospital also provides continuing education to psychologists, social workers, and teachers by working closely with Eastern Area Health Education Center (AHEC), South East AHEC, Southern Regional AHEC, and North Carolina Psychological Association.

## Affiliations

The hospital is affiliated with 13 schools of nursing. Throughout the year, nursing schools complete clinical rotations in various treatment areas. The objective of the clinical experience is to provide nursing students with learning opportunities regarding the care of individuals with mental health needs.

In addition, Cherry Hospital has affiliations with several colleges and universities for internship placements in social work, psychology, teaching (exceptional children), dental hygiene, pharmacy and therapeutic recreation. The hospital has affiliations with colleges/universities in several other states for occupational therapy internships. Member of the North Carolina Hospital Association.
