

## NORTH CAROLINA DISABILITY DETERMINATION SERVICES

### SCHEDULE OF CONSULTATIVE EXAMINATIONS AND PROCEDURES

Payments or professional services will be on the basis of usual, customary, and reasonable charges, as generally defined, up to the maximums specified in the schedule.

There is a \$35 fee for broken/missed appointments. This fee is to compensate the provider for the time and effort used to review medical records in preparation for the appointment.

*\*This fee only applies to examinations, and not studies (such as Radiology, Labs, or Auxiliary Studies).*

Split Fee Provision: Radiological (and other studies that require interpretation) fees below reflect both a Technical Component and Professional Component combined. Please contact our office directly for an itemization of the fee for each component per study, if required.

*\*This schedule is not applicable to hospitals operating under Medicare and Medicaid agreements specified by federal law.*
