

Virtual Transitional Age Youth and Young Adult Listening Session Feedback and Strategic Planning

VIRTUAL SESSION

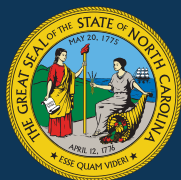

Two virtual options:

TUESDAY, JAN. 30, 2024 • THURSDAY, FEB. 1, 2024
5:30-7:30 P.M.

The NCDHHS Division of Social Services (NCDSS) hosted a series of regionally based in-person and virtual Youth and Young Adults Listening Sessions during November 2022 through July 2023 to hear from young people with current or prior experience in the NC Child Welfare Program. As a follow-up to those valuable sessions and to introduce information from the final and official report, NCDSS will be hosting in-person feedback and strategic planning sessions with youth and young adults with current or prior foster care experience between the ages of 14-21, and the adults and community partners who support them.
