Tips for Finding our Building

1. Two direct routes are highlighted in red on the map
 - a. Entrance onto South Boylan Avenue from Western Boulevard (closest to downtown)
 - b. Entrance onto Umstead Drive from Lake Wheeler Road (closest to South Saunders Street)
2. There is a gazebo to left of the entrance and a flag pole in front of the entrance.
3. The entrance is in between two building structures. The building on the left has a sign that reads Hargrove Surgical Center and the building on the right is McBryde East.
4. The flag pole is located near the main Dorothea Dix Hospital Sign. See pictures below.

Upon entering the building, you will be asked to sign-in with the Receptionist. The Receptionist will notify your point of contact that you have arrived. Someone will escort you from the lobby to the meeting room.
