DEAR COUNTY DIRECTORS OF SOCIAL SERVICES

SUBJECT: FY 23-24 QUARTER 3 REGIONAL CQI MEETINGS--UPDATE

REQUIRED ACTION: Information Only Time Sensitive Immediate

PURPOSE: UPDATED SCHEDULE FOR QUARTERLY REGIONAL CQI MEETINGS

Due to unforeseen circumstances in two of our host counties we need to change the dates of the meetings, though the locations will remain the same. Please make sure anyone who needs to know this has this information.

The dates for the Q3 Regional CQI meetings are as follows:

- Region 1: 2/2 Swain Co. Business Education Training Center, 45 E. Ridge Dr, Bryson City, NC
- Region 2: 1/31 Caldwell Co. DSS, 2345 Morganton Blvd, Lenoir, NC
- Region 3: 1/30 Guilford County DSS, Greensboro Office 1203 Maple St, Greensboro, NC
- Region 4: 2/13 Moore Co. Aberdeen Parks and Rec. 301 Lake Park Crossing, Aberdeen, NC
- **Region 5: 3/6 Franklin Co, Franklin Plaza, 279 S. Bickett Blvd, Louisburg, NC**
- Region 6: 2/15 Pender Co Agricultural Building, 801 S. Walker St, Burgaw, NC
- **Region 7: 2/29 Dare Co. DSS 107 Exeter St. Manteo, NC**

Purpose: The Regional CQI working meetings will continue to provide an opportunity for counties to interact and connect with both NC DSS and other county agencies. The goal is that attendees will leave with specific strategies to improve outcomes for children and families. Each quarter, we will address a specific child welfare outcomes, aligned with NC's Child and Family Services Plan, using the CQI process.

Process: This quarter we will begin by checking in on the "Monitor Progress" step of the CQI cycle. Counties will share strategies they have implemented to improve any of the areas we have explored in previous CQI Regional Meetings, but specifically, Placement Stability. It will be important that counties be prepared to talk about both any barriers they have encountered, as well as indicators of progress they have observed. Next, we will begin to explore data, root cause, and possible solutions to improving both initial and ongoing assessment of safety and risk. We will continue to use large and small group discussions.

County, regional, and statewide data will be gathered and distributed to counties in each region approximately four weeks prior to the meetings so the data can be reviewed ahead of time. Counties may be asked to provide some local data to add to the conversation, and a survey will be provided to gather that data. The local data will be due approximately 3 days before the meeting date, which should give ample time to gather it.

Attendance: Because the meeting topic will be targeted, we ask that counties thoughtfully consider who should attend these meetings. If you have CQI staff or others who are familiar with the CQI model and how it is used in your agency, they will be helpful to include. As this quarter's topic is relevant in all areas of Child Welfare, all level of staff from different areas of the Child Welfare may benefit and contribute to this meeting. Each agency should determine the best people to send to the meetings respective to the meeting agenda topics.

Logistics: Counties should plan to attend the meeting **in their region** and bring appropriate staff depending on the agenda items. All meetings will be from 10 AM – 3 PM and will include time for a working lunch. Lunch will be one hour in length and attendees are encouraged to plan so that they can return to the meeting in a timely fashion. This will allow us to maximize our time. Various state staff will be in attendance and available to answer questions or discuss issues during breaks.

If you have questions and/or suggestions for either agenda items and/or future meeting locations, please contact Holly McNeill at holly.mcneill@dhhs.nc.gov.
