SUBJECT: Adult Services Data Results from SFY 2018-2019

Please see the attached document that is the compilation of data submitted by your agencies for the state fiscal year 2018 – 2019. We have summarized this data and included both state totals and averages in an effort to provide you with valuable data that you may use when communicating with your community partners. We hope that this data will help you to demonstrate the valuable work that your agency and adult services staff do every day.

Thank you to each of the agencies that completed and submitted your data. The Division plans to use a similar method to collect your agency's data for state fiscal year 2019 – 2020 and will be sending out more information soon. If you have questions or need additional information, please contact Sarah M. Smith at sarah.smith@dhhs.nc.gov or the Adult Services listserv at dssasup@listserv.unc.edu.

Sincerely,
