SENIOR CENTER GENERAL PURPOSE FUNDING

Introduction and Instructions

The _____ Area Agency is pleased to announce the availability of funds for use by senior centers to support and develop programming and general operations or to construct, renovate, or maintain senior center facilities. \$1,265,316 in general purpose funding was allocated for senior centers for the current fiscal year. This funding is allocated to the Area Agencies on Aging for distribution to the centers within the region which provide full time programs or will utilize the funding to develop full time programs. Across the state 164 senior centers or developing senior centers will be funded.

The Division of Aging and Adult Services has worked hard to enhance and expand the statewide certification process for senior centers with standards that encourage centers across the state to strive for levels of 'merit' or 'excellence'. An intent of the certification process has been to increase base funding for those who have successfully completed the process. This ensures that funding is being well spent on readily identifiable programs and services and provides an incentive for centers that make investments to meet certification requirements. Therefore, in order to provide an incentive to work toward certification, and to reward those who achieve it, the Division has decided to fund senior centers equally, based upon their certification status. Centers of Merit will receive two shares of the funding of non-certified centers and Centers of Excellence will receive three times the funding of non-certified centers. The objectives for this year are to:

- Allocate funding equally to every center, based upon certification status;
- Require documentation and accountability for the use of funding, and;
- Provide incentives for centers to improve themselves through certification.

Again this year it has been decided to divide the annual appropriation into *shares* based on the total number of senior centers as determined by the Area Agencies on Aging plus extra shares for each senior center which

meets certification status. Uncertified, identified centers will receive one share.

For FY 2017-2018, total funding available to the counties in Region ___ will amount to _____. Effective period: July 1, 2017-June 30, 2018.

Your center is eligible to receive:

FY 17-18	Senior Center General Purpose Funding	\$ _____
	Local Match (25%)	\$ _____
	TOTAL	\$ _____

It is the responsibility of the applicant to certify the availability of the local match. The funds require a 25% local match. The funds must be spent first before reimbursed and before **June 30, 2018**. Therefore, projected June expenditures must be reported with May services reported in June otherwise the unutilized portion of your allocation will revert to the state.

Application submissions should include:

- (1) A completed description of proposed activities (add additional pages as needed).
- (2) Certification of the availability of local match.
- (3) A budget for senior center general purpose activities.
