## **1.2 BACKGROUND**

The Division is committed to improving the health and well-being of North Carolinians through an innovative, whole person centered and well-coordinated system that addresses medical and non-medical drivers of health. The core elements of this framework include the following:

- Family and youth-guided services

ITEM	APPLICATION ACCEPTANCE CRITERIA	RFA Section	YES	NO
1	Was the contractor's application received by the deadline specified in the RFA?			
2	Vendor proposal includes all required affirmative statements, assurances, and certifications signed by the vendor's responsible representative, as described in the appendices of the RFA

**Beneficiaries:** Except as herein specifically provided otherwise, this contract shall inure to the benefit of and be binding upon the parties hereto and their respective successors. It is expressly understood and agreed that the enforcement of the terms and conditions of this contract, and all rights of action relating to such enforcement, shall be strictly reserved to the Division and the named Contractor. Nothing contained in this document shall give or allow any claim or right of action whatsoever by any other third person. In that event, all finished or unfinished deliverable items prepared by the Contractor under this contract shall, at the option of the Division, become its property and the Contractor shall be entitled to receive just and equitable compensation for any satisfactory work completed on such materials, minus any payment or compensation previously made.

**Termination for Cause:** If, through any cause, the Contractor shall fail to fulfill its obligations under this contract in a timely and proper manner, the Division shall have the right to terminate this contract by giving written notice to the Contractor and specifying the effective date thereof. In case of default by the

Contractor, without limiting any other remedies for breach available to it, the Division may procure the contract services from other sources and hold the Contractor responsible for any excess cost occasioned thereby. The filing of a petition for bankruptcy by the Contractor shall be an act of default under this contract.

**Waiver of Default:** Waiver by the Division of any default or breach in compliance with the terms of this contract by the Contractor shall not be deemed a waiver of any subsequent default or breach and shall not be construed to be modification of the terms of this contract unless stated to be such in writing, signed by an authorized representative of the Division and the Contractor and attached to the contract.

**Availability of Funds:** The parties to this contract agree and understand that the payment of the sums specified in this contract is dependent and contingent upon and subject to the appropriation, allocation, and availability of funds for this purpose to the Division.

**Force Majeure:** Neither party shall be deemed to be in default of its obligations hereunder if and so long as it is prevented from performing such obligations by any act of war, hostile foreign action, nuclear explosion, riot, strikes, civil insurrection, earthquake, hurricane, tornado, or other catastrophic natural event or act of God.

## Conflict of Interest Policy Example

The Board of Directors/Trustees or other governing persons, officers, employees or agents are to avoid any conflict of interest, even the appearance of a conflict of interest. The Organization's Board of Directors/Trustees or other governing body, officers, staff and agents are obligated to always act in the best interest of the organization. This obligation requires that any Board member or other governing person, officer, employee or agent, in the performance of Organization duties, seek only the furtherance of the Organization mission. At all times, Board members or other governing persons, officers, employees or agents, are prohibited from using their job title, the Organization's name or property, for private profit or benefit.

This is not intended to preclude bona-fide Organization fund raising-activities.

B. A Board or other governing body member may, with the approval of Board or other governing body, receive honoraria for lectures and other such activities while not acting in any official capacity for the Organization. Officers may, with the approval of the Board or other governing body, receive honoraria for lectures and other such activities while on personal days, compensatory time, annual leave, or leave without pay. Employees may, with the prior written approval of their supervisor, receive honoraria for lectures and other such activities while on personal days, compensatory time, annual leave, or leave without pay. If a Board or other governing body member, officer, employee or agent is acting in any official capacity, honoraria received in connection with activities relating to the Organization are to be paid to the Organization.

C. No Board member or other governing person, officer, employee, or agent of the Organization shall participate in the selection, award, or administration of a purchase or contract with a vendor where, to his knowledge, any of the following has a financial interest in that purchase or contract:

The Board member or other governing person, officer, employee, or agent;

Board Action -- When a conflict of interest is relevant to a matter requiring action by the Board of Directors/Trustees or other governing body, the Board member or other governing person, officer, employee, or agent (person(s)) must disclose the existence of the conflict of interest and be given the opportunity to disclose all material facts to the Board and members of committees with governing board delegated powers considering the possible conflict of interest. After disclosure of all material facts, and after any discussion with the person, he/she shall leave the governing board or committee meeting while the determination of a conflict of interest is discussed and voted upon. The remaining board or committee members shall decide if a conflict of interest exists.

In addition, the person(s) shall not participate in the final deliberation or decision regarding the matter under consideration and shall leave the meeting during the discussion of and vote of the Board of Directors/Trustees or other governing body.

F. Violations of the Conflicts of Interest Policy -- If the Board of Directors/Trustees or other governing body has reasonable cause to believe a member, officer, employee or agent has failed to disclose actual or possible conflicts of interest, it shall inform the person of the basis for such belief and afford the person an opportunity to explain the alleged failure to disclose. If, after hearing the person's response and after making further investigation as warranted by the circumstances, the Board of Directors/Trustees or other governing body determines the member, officer, employee or agent has failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.
