

DEVELOPMENTAL DISABILITIES AWARENESS

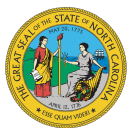

Beyond the Conversation

Monday, April 10, 2023 • 1:00 p.m. – 2:30 p.m.

The observance of Developmental Disabilities Awareness offers an opportunity to educate people on the impact of developmental disabilities and the effects they have on the lives of those who live with them. Individuals who live with developmental disabilities often face many challenges.

For Developmental Disabilities Awareness, NCDHHS, Division of Mental Health, Developmental Disabilities, and Substance Abuse Services will host a webinar to elevate awareness to some of these challenges and provide resources to individuals and family members of those with developmental disabilities.
