

# *Celebrating Oxford Houses:* Recovery Housing a Driver of Resiliency

**THURSDAY, MAY 26, 2022, 12-1 P.M.**

Governor Roy Cooper proclaimed May as Oxford House Month. For over 30 years, the Oxford House, Inc. organization, in partnership with the NC Department of Health and Human Services, Division of Mental Health/Developmental Disabilities/Substance Abuse Services, has positively impacted the lives of tens of thousands of North Carolinians through self-run, self-supported recovery homes known as Oxford Houses. This webinar will address the past, present, and future state of Oxford Houses in NC and celebrate the overwhelming success of the model as a driver of resiliency, advancements made in the last 30 years in NC, the vision the Division has, and how the efforts in NC have been used as a model across the entire country.
