

1 **10A NCAC 06R .0403 EQUIPMENT AND FURNISHINGS**

2 (a) Adult Day Care facility equipment and furnishings shall meet the needs of participants and staff and enable
3 efficient operation of the program. The facility shall have:

- 4 (1) at least one sturdy straight back chair or sturdy folding chair for each participant and each staff
5 person, excluding those in wheelchairs or other specialized seating equipment;
- 6 (2) table space adequate for all participants to be served a meal at a table ~~at the same time~~ and for
7 program activities;
- 8 (3) chairs or sofas that allow for position changes, are upholstered or of soft material, and water and
9 stain resistant, so that at least half of the participants can relax and rest at the same time. If all
10 participants take a daily rest period at the same time, the facility shall have enough of such seating
11 for all participants. The seating requirement does not apply if the participant utilizes a wheelchair
12 or other specialized seating equipment; and
- 13 (4) a quiet space or room with a minimum of one bed or cot so that participants can lie down as needed
14 separate from other program activities.

15 (b) All equipment and furnishings shall be in good condition and safe for use by all participants and staff of the
16 facility.
