

1 **10A NCAC 06R .0503 TRANSPORTATION**

2 (a) For programs providing or arranging for public transportation, the adult day care program shall have a
3 transportation policy that includes routine and emergency procedures. Accidents, medical emergencies, weather
4 emergencies and escort issues shall be addressed.

5 (b) When the adult day care program provides transportation, the following requirements shall be met to ensure the
6 health and safety of the participants:

- 7 (1) Each person transported shall have a seat in the vehicle.
- 8 (2) Participants shall be transported no more than 30 minutes without being offered the opportunity to
9 have a rest stop.
- 10 (3) Vehicles used to transport participants shall be equipped with seatbelts. Participants shall be
11 instructed to use seatbelts while being transported.
- 12 (4) Vehicles shall be equipped with a first aid kit, ~~consisting of the items listed in 10A NCAC 06S .0301~~
13 ~~(a)~~, and a fire extinguisher.
- 14 (5) A copy of the transportation policy shall be located in the vehicle used for transport.
