FaithHealth @ Wake Forest Baptist Medical Center

Stories and histories, especially those of our neighbors and partners, in which we can see our emergence in living context.

CareNet Counseling

- *Our mission is to improve the health of the mind, body, spirit and community through faith-integrated counseling, psychotherapy, research and education. We help our clients achieve, restore and maintain mental wellness which improves their overall health.*
- *CareNet counseling network has been providing high quality outpatient counseling services across North Carolina since 1972. Since then, it has become the largest hospital-based program of its kind in the nation.*

What does CareNet do?

- Provide counseling, psychotherapy and education for issues such as:
 - Anxiety and depression
 - Addiction
 - Crisis and trauma
 - Abuse
 - Grief and bereavement
 - Relational issues
 - Religious and spiritual issues
 - Life transitions
 - Developmental issues
 - Academic problems
 - Career guidance
 - Other additional specialized programming, educational, coaching, consulting

Who are our Counselors?

- 60+ NC licensed counselors, social worker and psychologists
- 12 associate licensed clinical residents
- 15 graduate student counseling interns
- Located in ten regions and 37 clinics across the state of North Carolina

What does a Chaplain Do?

- Chaplains respond to a variety of spiritual needs for all people, with or without a faith tradition:

What Can We Help With?

- Assistance, transportation, and encouragement to attend appointments (e.g., medical, pharmacy, grocery, social or community service)
- Assistance navigating community resources (e.g., food, medications, housing, health insurance)
- Offer encouragement for those who delay seeking care
- Assistance completing and returning necessary forms for services, compiling necessary information/documentation
- Social, emotional, and spiritual care in the community (e.g., home visitation, prayer, healing conversation, appt. reminders)
