

We provide the following items at no cost for residents of North Carolina.

Weather Alert Radio

Weather alert radios are available to North Carolinians who are Deaf, DeafBlind and Hard of Hearing.

The weather alert radio is a tool that uses visual and vibrating alarms to call attention to emergency broadcasts related to severe weather events and man-made disasters.

To apply for your free weather alert radio, you must show:

- Proof of North Carolina residency
- Proof of hearing loss

Driver Communication Card

Driver communication cards are available to drivers who are Deaf and Hard of Hearing.

The card is a tool to help drivers with hearing loss communicate with law enforcement during a traffic stop or road emergency.

To apply for your free driver communication card, you must show:

- Valid North Carolina driver license
- Proof of hearing loss

Contact your nearest DSDHH Regional Center for more information. A list of DSDHH Regional Centers and the counties they serve is available at www.ncdhhs.gov/dsdhh
