# Adult Services Supervisors' Curriculum, Module 5

## The Supervisor's Role in Teaching and Motivation

January 30–31, 2002

Wilson County DSS

100 Gold St.

Wilson, NC

### Description

The six modules of the Adult Services Supervisors' Curriculum are designed to enhance knowledge and skills essential for the administrative, supportive, and educational functions of an effective adult services manager. Each two-day module provides participants with the opportunity to examine current professional concepts, practice their application, and share ideas and experiences among peers. Training methods include lecturettes, assessment tools, videos, case studies, skills practice, and large and small group discussions. Participants are given reference materials and tools to apply in their work.

Module 5, "The Supervisor's Role in Teaching and Motivation," focuses on supporting the recruitment and retention of staff, professional development and continuous self-improvement, creating an adult learning environment, motivating staff, and building teamwork.

### Audience

Adult services supervisors and program managers.

### Sponsors
