Dear County Directors of Social Services

Subject: Funding Allocation for State Aid to Counties

Based on the current budget projected shortfall for SFY 08-09 the State Aid to Counties allocations was to be reduced by \$900,000. That reduction has now been put on hold. Until further notice the monthly State Aid Counties allocation will remain the same.

Sincerely,

A handwritten signature in cursive script that reads "Sarah L. Barham".

Sarah L. Barham
Budget Officer
