DEAR COUNTY DIRECTOR OF SOCIAL SERVICES:

SUBJECT: Work First Block Grant/TANF Maintenance of Effort

The Division is again offering counties some options to assist with meeting Maintenance of Effort (MOE) requirements for the current fiscal year.

The County's required Maintenance of Effort consists of the county funds in your Work First Block Grant, and the county match in Child Protective Services IV-E Administration. Counties will be held to the mandate of meeting 100% of MOE this fiscal year (or 90% of original MOE for electing counties). If MOE is not met in full, the Budget Office will reclassify eligible TANF 100% Federal expenditures to county funds for MOE up to the amount of the required MOE.

Maintenance of Effort

To assist you in meeting MOE, you may request permission from the DSS Budget Office by using the attached form to exercise either or both of the below options. Up to a total of 10% of your MOE in Work First Block Grant (NOT 10% for each option) can be used. You should contact your LBL before making any of these choices:

1. Automation: You may request to use the cost of automation that has been or will be purchased this fiscal year, and cost allocated on the DSS-1571 (not direct charges).

Note: If you submit a letter to the Controller and receive permission to direct charge the automation to WFBG MOE, that is already counting toward MOE and would not need to be requested under this option. If you are approved to exercise this option, you must submit receipts for the automation expenses to your LBL no later than May 29, 2015 in order to receive the MOE credit at year-end closeout.

2. Excess county spending in CPS IV-E Administration: You may request to use county dollars spent for CPS IV-E Administration over and above the MOE requirement for CPS IV-E Administration. That is, if you have exhausted the State allocation in CPS IV-E Administration, and you continue to code to this fund source, your county share increases to 50% of your expenditure. It no longer counts as true MOE, but you may request that the Budget Office count the additional county funds under this option, up to the 10% total allowable. Counties must complete the attached request form to receive this credit and forward by email to Sandra Weathers, NC DSS Administrative Assistant, [mail to: Sandra.Weathers@dhhs.nc.gov](mailto:Sandra.Weathers@dhhs.nc.gov), by May 29, 2015.
