Dear County Director of Social Services

SUBJECT: MAXIMUS Consulting Services, Inc., Software

This is to inform you that the NC DHHS has learned that Maximus will no longer support Program Expenditures Tracking System (PET), Quarterly Information Consolidation System (QuIC) and Time and Effort Calculation System (TEC) products effective July 1, 2014. Our Department will have conversations with Maximus to discuss a transition plan within the next couple of weeks. We will then engage County Directors in discussions in creating a transition plan to avoid any interruptions with the reimbursement system and plan for future needs.

We will be in close communication with the leadership of NCACDSS as we move forward. Thank you for your cooperation as we implement a transitional plan for the County Administration Reimbursement System.

Sincerely,

A handwritten signature in cursive script that reads "Wayne Black".
