Child Support Services County Quarterly Report Narrative State Fiscal Year 2020 1st Quarter Ending 09|30|2019

The purpose of this report is to provide a general overview of North Carolina's statewide performance in accordance to General Statutes 110-129.1(a). The performance report can assist in identifying opportunities of improvement for child support offices.

CHILD SUPPORT PROGRAM/ENHANCED STANDARDS SECTION 10.46. G.S. 110-129.1(a):

"(a) In addition to other powers and duties conferred upon the Department of Health and Human Services, Child Support Enforcement Program, by this Chapter or other State law, the Department shall have the following powers and duties:

(9) Implement and maintain performance standards for each of the State and county child support enforcement offices across the State. The performance standards shall include the following:

- a. Cost per collections.
- b. Consumer satisfaction.
- c. Paternity establishments.
- d. Administrative costs.
- e. Orders established.
- f. Collections on arrearages.
- g. Location of absent parents.
- h. Other related performance measures.

The Department shall monitor the performance of each office and shall implement a system of reporting that allows each local office to review its performance as well as the performance of other local offices. The Department shall publish an annual performance report that includes the statewide and local office performance of each child support office."

It is important to note – while this report reviews and summarizes numerical data from the "County Quarterly Report", it does not consider various obstacles that the State or counties may face –employee longevity, judicial obstacles, or county budgets – to name a few. **It also does not address cost per collections, consumer satisfaction, and administrative costs as this information is not available at this time.**
