Dear County Director of Social Services:

Attn: Child Welfare Supervisors

Re: Child Welfare Training Schedules for June, 2002

As you are aware, we were unable to print a full training calendar for every DSS supervisor due to the budget crisis. In November 2002, each agency was mailed one copy of the training calendar. In an effort to keep you updated on the training that will be offered, we continue to provide you with the listing of our training on a monthly basis. Attached you will find all of the training events that the Children's Services Statewide Training Partnership will be offering during the month of June, 2002. Please note that some workshops have been cancelled due to budget constraints and significant curricula revisions that are occurring due to the new Structured Decision Making process and tools. If you are interested in viewing or downloading part or all of our training calendar, this can be accessed by going to our web site at:

www.dhhs.state.nc.us/dss/childrenservices/. Our training calendar provides you with a description of every course, training requirements, information about and directions to our regional training centers and our registration form.

In order to register for one of the attached courses complete a registration form and fax it to the appropriate registrar:
