DEAR COUNTY DIRECTOR OF SOCIAL SERVICES

ATTENTION: Children's Services Supervisors

**SUBJECT: Survey on State Website for Approved
Placement Assessments of Adoptive Applicants**

The Services to Children & Families Committee of the North Carolina Association of Directors of Social Services has requested the Division to survey counties to determine the need for and interest in a state website for approved preplacement assessments.

This website would provide a mechanism for accessing potential families in North Carolina who would be interested in adopting children from our foster care system. This website would not replace our current involvement with NCKids.

Please complete the attached survey and return by email to Esther.High@ncmail.net or fax at 919-715-0766 by April 28, 2006.

Thank you for your participation in this endeavor. If you have any questions, please call Esther High at (919)-733-9464.

Sincerely,

A handwritten signature in black ink, appearing to read "JoAnn Lamm".
