Dear County Directors of Social Services:

Attention: Work First Supervisors and Staff  
Child Welfare Supervisors and Staff

Subject: County Assignments for Children's Programs Representatives

It is with great pleasure to announce that we are once again fully staffed with Children's Programs Representatives (CPR's). During this past month, two new CPR's and a supervisor for this area were hired. Most agencies will not experience a change in their CPR assignment. Agencies faced with a change in CPR assignment have been contacted. There will be a transition period for those agencies that are changing CPR's. During the next 30 – 60 days, the current CPR and new CPR assigned will work together to make a smooth transition.

For the next few months, our CPR's and supervisor will be working closely with agency staff on meeting our federal outcome measures. Please work together and make this effort a success.

Attached is a list of all county agencies and the names of the CPR assigned to each county effective as of this date. We want to especially thank those county agencies that have gone without a CPR for a period and all others for your patience during this transition. If you have questions, please feel free to contact Keith Davis or David Atkinson at (919) 733-7831.

Sincerely,
