

Foster Home Substantiation Review Supplemental Information—Form B

This form should be completed and provided to your consultant on the date of the scheduled review. The consultant will need access to the Licensing Record and the following items will need to be flagged or pulled from the child(ren)'s Foster Care Record: Placement Log, Documentation from the time of placement, Out-of-Home Family Service Agreements and Person-Centered Plans completed during placement, any & all medical and psychological information, court summaries and court orders for adjudication and disposition and the most recent court hearing. Other information from the child(ren)'s record may be requested to assist in the review process.

Supervising Agency: _____

Licensed foster parents in the home: _____

Other adults in the home: _____
