Dear County Director:

The DHHS Operational Support Team (OST) is assembled and has begun its work to support counties. As a reminder, the team will provide program support and policy guidance moving forward with policy integration and NC FAST implementation.

During the month of June, the OST received training on coaching and facilitation and has completed cross-program policy training in last week.

Team members representing Food and Nutrition Services, Medicaid and Work First have received their initial county assignments; however, as the remaining OST positions are filled these assignments will be adjusted accordingly and Subsidized Child Care and Special Assistance policy staff will be added to the county teams. The current county assignments are attached.

You will be contacted by a member of the team representing your county soon to schedule a visit or a conference call. If you have questions or need assistance from your OST representatives, please contact Dean Simpson, 919-527-6330 or Ron Byrd 919-527-6319.

Sincerely,

A handwritten signature in cursive script that reads "Dean Simpson".

Dean Simpson
OST Operational Manager
