**Re: Changes to EPICS Claim Balances
for WFFA and Food and Nutrition
Services Claims**

Dear County Director of Social Services:

Attention: Program Integrity Managers & Supervisors

EPICS claims were identified for Food and Nutrition Services, AFDC, and TANF with a balance of \$1.00 or less. These claims were in 'Collection' or 'Terminated' status and were no longer eligible for automatic collection through recoupment, DOR, NCEL, or TOP interception.

The balance of these claims was reduced to zero, and the status was changed to 'Closed'. This function was completed on November 7, 2008. Report FRD908 was created and placed in NCXTPR. This report lists the claims closed by this process and is sorted by county and investigator. Please review FRD908 and insure your records reflect the changes made to the claims listed.

If you have any questions, please contact your Food and Nutrition Services & Energy Programs Representative.

Sincerely,

A handwritten signature in cursive script that reads "Dean Simpson".
