Dear County Director of Social Services:

Attention: Food and Nutrition Services Managers and Supervisors

Subject: 2010 Food and Nutrition Services Policy Training Survey

During September and October 2009, the Division provided statewide training for the Food and Nutrition Services (FNS) Program. The goal of the Division was to assure that staff across the state was implementing FNS policy correctly. This training provided an opportunity for counties to review and discuss error trends that were occurring across the State, as well as recent and upcoming policy changes.

Currently we are exploring the opportunity of conducting this same type of training again during the months of August and September 2010. To assist us in the planning of these meetings, it is imperative to receive your input for planning purposes. This training is relevant to Food and Nutrition Services managers, supervisors and eligibility staff. Our goal is to provide training two consecutive days in each area to enable a portion of staff to attend each day. The same material will be presented on both days.

Please complete the attached survey and fax to David Locklear at (919) 334-1266 or email David.Locklear@dhhs.nc.gov no later than Friday, January 22, 2010. Additional information will be provided at a later date concerning the trainings. If you have any questions, please contact David Locklear at (919) 334-1227.

Sincerely,
