RE: Reallocation of Crisis Intervention Program (CIP) Funds

Dear County Director of Social Services:

Recently, there has been discussion concerning the reallocation of CIP funds to counties that have exhausted all their current funds. Recommendations have been made to reallocate unspent CIP funds for the remainder of the current state fiscal year to those counties that have exhausted their funds. Currently, 35 counties have either used all of their CIP funds or have a balance of less than \$1,000. As a reminder, any unspent CIP funds will be reallocated at the end of the State Fiscal Year.

Please indicate on the attached survey form if you are willing to have funds reallocated to other counties or if you are interested in having funds reallocated to your county. Also indicate the amount you will reallocate or the amount your county would like to request. Please return the CIP Reallocation Survey form by **Wednesday, February 23, 2011** via e-mail to David.Locklear@dhhs.nc.gov or by fax at (919) 334-1266.

Please contact me at (919) 334-1234 if you have questions. Thanks for your help.

Sincerely,

A handwritten signature in cursive script that reads "Dean Simpson".
