Dear County Directors of Social Services

Attention: Energy Administrators, Managers & Supervisors

Subject: Reallocation of Crisis Intervention Program (CIP) Funds

Priority: Time Sensitive, Action & Response Required

As indicated in the Dear County Director Letter [EFS-FNSEP-30-2019](#) dated September 20, 2019, we are conducting the third quarterly CIP reallocation. There are currently numerous counties that have exhausted their funds or have balances of less than \$1,000.00. In order to meet the Division's goal of utilizing all available funds and assisting as many citizens as possible, we are asking counties with an excess amount of funds to consider reallocating monies that can be utilized by other counties.

On the attached survey please indicate if your county is willing to have CIP funds reallocated to other counties or if you are interested in having CIP funds reallocated to your county. Indicate the amount your county is willing to reallocate as well as the amount requested. Return the Reallocation Survey by Monday March 16, 2020 via email to Jasmyne Simmons at Jasmyne.Simmons@dhhs.nc.gov.

If you have any questions, please contact Jasmyne Simmons via email at Jasmyne.Simmons@dhhs.nc.gov

Sincerely,

David Locklear, Deputy Director
