Dear County Directors of Social Services

Attention: Energy Administrators, Managers & Supervisors

Subject: Reallocation of Low Income Energy Assistance Program (LIEAP) and Crisis Intervention Program (CIP) funds

Priority: Time Sensitive, Response Required

In an ongoing effort to ensure families across the state receive assistance with their heating cost, a reallocation is being conducted for CIP and LIEAP. Funds will be reallocated from counties who will not spend all their allocation based on their spending patterns and issued to counties in need of additional funding. Please indicate on the attached survey form if your county is willing to have LIEAP or CIP funds reallocated to other counties or if you are interested in receiving CIP or LIEAP funds reallocated to your county. Indicate the amount your county is willing to reallocate as well as the amount your county is requesting. Depending on how much is reallocated, county's may not receive the exact amount that is requested. Return the Reallocation Survey by close of business on Friday January 29, 2021.

If you have any questions , please contact Jasmyne Simmons via email at Jasmyne.Simmons@dhhs.nc.gov.

Sincerely,

A handwritten signature in blue ink that reads 'David Locklear'.
