Dear County Director of Social Services:

The Economic Benefits Policy Governance Board is excited to announce the rollout of the Integrated Eligibility Manual! The Income Section of the Integrated Eligibility Manual will be effective July 15, 2013 with the publication of an Administrative Letter.

This new income manual includes policy for the following programs:

- Medicaid Aged, Blind, and Disabled;
- Medicaid Family and Children;
- NC Health Choice);
- Food and Nutrition Services (FNS);
- Work First (WF)
- Refugee Assistance (RA),
- Subsidized Child Care (SCC),
- Special Assistance (SA) and
- Energy Programs (EP)

The rollout of the Economic Benefits Integrated Manual Income Section will begin with training provided by DHHS through a webinar. The policy content and the format have changed dramatically. The policy manual will be located at a different web address from all other current economic benefits program policy. We will provide a link to the new manual site from the current manual website.

The goal of the webinar is to introduce counties to the income section of the integrated policy manual for the policy changes as well as introducing the new format. We will be walking through the various sections of the income policy, demonstrating how to use the new format as well as highlighting income policy changes.
