**RE: Crisis Intervention Program (CIP) Conference  
Call**

**Dear County Director of Social Services:**

**Attention: Energy Program Managers and Supervisors**

Recently CIP funds were made available for the new state fiscal year to assist families in cooling related life threatening crisis situations. The Division has scheduled a conference call for Energy Programs Staff and Directors to provide clarifications to current policy and to allow for questions. We strongly encourage your attendance on the call as it will provide an opportunity for any clarifications regarding CIP policy. Counties which outsource their CIP application-taking to other agencies will need to contact those agencies and advise them of the conference call so they may participate.

The call will be held on **Tuesday, July 23, 2013 from 11:30 am until 12:30 pm**. The call-in number is **919-715-0769**. There are a limited number of telephone lines that will be able to access the call so we request that counties call in on one phone line per agency.

If you have any questions, please contact me at [David.Locklear@dhhs.nc.gov](mailto:David.Locklear@dhhs.nc.gov) or 919-527-6311.

Sincerely,

A handwritten signature in cursive script that reads "David Locklear".
