Economic and Family Services
August 2018 Cluster Meetings

3:15pm-3:45pm 0:30	Strategies to Support Work First Child Only Cases Workshop Description: With dwindling adult included Work First Benefit cases, the majority of the Work First caseload statewide is child only. How can local agencies use the Two Generational Approach to provide services to child only cases?
3:45pm-4:00pm 0:15	PM Break
4:00pm-4:30pm 0:30	Preventing Churn Workshop Description: There are a significant amount of recipients whose benefits are denied or terminated for whatever reason but they reapply for services within four months or less. This on-and-off again benefit history is called churn. This session will focus on why churn occurs and how we can prevent it.
4:30pm-4:45pm 0:15	Questions & Answers
