Dear County Director of Social Services:

Attention: Food and Nutrition Services Managers and Supervisors

Subject: Summer Food Service Program Outreach
Summer Meals Program(s)

Priority: Information and Action Required

The Summer Food Service Program is a federal assisted program that provides free meals to economically disadvantaged children during the summer. All children 18 and under are eligible for the free meals.

Posters and flyers about the free summer meals are available for DSS offices to display as part of an outreach campaign to inform families about this program. An order form and poster are attached.

Please order materials as needed to get the word out to support participation in the Summer Food Service Program Outreach/Summer Meals Program(s). Please display posters in areas visible by customers accessing services at your office and throughout the community during May through August 16, 2019.

Thank you for your cooperation.

Sincerely,
