RE: Energy Programs Conference Call

Dear County Director of Social Services:

Attention: Low Income Energy Assistance Program (LIEAP) and Crisis Intervention Program (CIP) Managers and Supervisors

Policy updates were made in the Low Income Energy Assistance Program (LIEAP) and Crisis Intervention Program (CIP) per Change Notice #1-2014 effective October 1, 2014. The Division has scheduled a conference call for Energy Programs Staff across the state.

We strongly encourage attendance on the conference call as it will provide an opportunity for counties to review and discuss the Energy Programs. The information is relevant to LIEAP and CIP managers, supervisors, and eligibility staff. Counties that outsource their LIEAP and/or CIP application-taking to other agencies will need to contact those agencies and advise them of the conference call so they may participate.

The date and time for the call is **Tuesday, November 18, 2014 from 10:00 – 11:30 am**. The call-in number is **(919) 733-2511**. Since there is a limited number of telephone lines available to access the call, we request that counties call in on from one phone line per agency.

If you have any questions, please contact Betsy Moore at (919) 527-6316 or email betsy.e.moore@dhhs.nc.gov.

Sincerely,

David Locklear, Acting Section Chief
Economic and Family Services Section
