RE: TANF ARRA Funds for Subsidized Employment Program

Dear County Director of Social Services:

The State Division of Social Services received TANF ARRA funds for subsidized employment programs in 24 counties. A portion of the funding that the Division had set aside for this effort has now been budgeted in the TANF ARRA 2010-11 Plan.

Each county who initiated a subsidized employment program received two allocations through June 30, 2010. There will not be an allocation of funds for the July, August and September 2010 time period. The funds already received are available for counties to use on the subsidized employment program until spent. Once counties have spent their allocation, the subsidized employment program ends. The Division will complete the monitoring process for the TANF ARRA funds by September 30, 2010.

Thank you for your willingness to pilot the subsidized employment program and provide employment opportunities for TANF eligible families in your community.

If you have questions regarding the close out of the subsidized employment funds, please contact me at (919) 334-1234 or contact your Local Business Liaison.

Sincerely,

A handwritten signature in cursive script that reads "Dean Simpson".
