

# Job Hunting?

## Companies are looking for candidates like you!

---

The FIS™ Tax Credit Job Board puts job seekers first by helping employers save thousands of dollars in taxes if they hire you! Businesses are interested in finding candidates that match the following criteria:

- Those receiving government aid including TANF, SNAP, or SSI benefits
- Vocational rehabilitation referral participants
- Those who have been unemployed for 27 weeks or more
- Veterans

If you fall in one of these categories, you may qualify under a federal program that incentivizes employers to hire you by saving them thousands of dollars in taxes. With the FIS Tax Credit Job Board, the business saves money and you get hired.
