**Re: Food and Nutrition Services Employment and
Training (E&T) Program Training**

Dear County Director of Social Services:

Attention: Food and Nutrition Services Managers & Supervisors

State personnel from the NC Employment Security Commission (ESC) and Division of Social Services are conducting one-day training sessions for local staff members who work with the Food and Nutrition Services (FNS) Employment and Training (E&T) Program. These trainings are an opportunity for State and local ESC and DSS partners to discuss the new all-volunteer program, review E&T policy changes, and develop strategies to work towards creating a successful Employment and Training program.

Although there are six training sites, we are asking that the schedule listed below be followed, whenever possible. By having staff from the same county attending the same meeting, we can all work together to resolve any issues and questions that may have occurred since the Volunteer E&T Program started in July 2009. All training is scheduled from 9:30 am to 3:30 pm.
