**Dear County Directors of Social Services**

**Attention:** Energy Administrators, Managers & Supervisors

**Subject:** Reallocation of Crisis Intervention Program (CIP) funds

**Priority:** Time Sensitive, Response Required

As the Fiscal Year comes to an end, a reallocation is being conducted for CIP. Funds will be reallocated from counties who will not spend all their allocation based on their spending patterns and issued to counties in need of additional funding. There are several counties who are out of funding. Please indicate on the attached survey form if your county is willing to have CIP funds reallocated to other counties or if you are interested in receiving CIP funds reallocated to your county. Indicate the amount your county is willing to reallocate as well as the amount your county is requesting. Depending on the amounts reallocated, counties may not receive the exact amount that is requested. Return the Reallocation Survey by close of business on Tuesday, April 20, 2021.

If you have any questions, please contact Jasmyne Simmons via email at [Jasmyne.Simmons@dhhs.nc.gov](mailto:Jasmyne.Simmons@dhhs.nc.gov).

Sincerely,

Carla L. West, Senior Director for Economic Security  
Division of Social Services, Economic and Family Services Section
