Dear County Directors of Social Services

Attention: Energy Administrators, Managers & Supervisors

Subject: Reallocation of Low Income Energy Assistance Program (LIEAP)

Priority: Time Sensitive, Response Required

To assist counties that have a need for additional LIEAP funds, the Division plans to reallocate funds from counties who will not spend all their allocation based on their spending patterns. Please indicate on the attached survey form if your county is willing to have LIEAP funds reallocated to other counties or if you are interested in having LIEAP funds reallocated to your county. Indicate the amount your county is willing to reallocate as well as the amount requested. Return the Reallocation Survey by Monday, January 6, 2020 via email to Robin Greenwald at Robin.Greenwald@dhhs.nc.gov

In an effort to ensure families are served across the state, we plan to conduct another LIEAP survey in February, this will allow the potential to move additional funds to counties that have exhausted their funds.

If you have any questions, please contact Robin Greenwald via email at Robin.Greenwald@dhhs.nc.gov

Sincerely,

A handwritten signature in blue ink that reads 'David Locklear'.
